

About LSCR

Lone Star Community Radio is Montgomery County's community radio station. We are available to listen to LIVE worldwide on irlonestar.com and locally on Conroe's FM 104.5/106.1, and recorded and produced for audio podcast on iTunes, Soundcloud, and other options! You can even watch us on Youtube and Our City TV on SuddenLink Channel 12. Lone Star community radio has a variety of programming, and talk radio hosted by local personalities and music programs featuring volunteer DJ's that play an assortment of music genres. The mission of LSCR is to serve Montgomery County by providing content ABOUT Montgomery County. Broadcasting LIVE from downtown Conroe, Texas. We invite the community of Montgomery County to be a part of our broadcast. Offering free advertising to non-profits, and operating from station and show sponsorships. Lone Star Community Radio is supported and produced by the community of Montgomery County.
